Utah Nurse Assistant Registry (UNAR)
Skills Examiner Qualifications & Training

Effective Date: 12/08/2016

1. **Purpose**
   1.1. To verify that skills examiners participating in a Nursing Assistant Training and Competency Evaluation Program (NATCEP) meet the minimum qualifications set for by the Utah Administrative Code and UNAR policy.

2. **References**
   2.1. Utah Administrative Code R432
   2.2. Federal Regulations Subpart D 483.152

3. **Policy**
   3.1. All skills examiners must be UNAR approved and trained by meeting all minimum requirements and completing UNAR skills training and being found competent by the UNAR State Skills Specialist prior to functioning as a skills examiner.

   3.2. Skills examiners must be a registered nurse with an active license to practice nursing in the State of Utah and in good standing with the Division of Occupational and Professional Licensing. They must also have at least 1 year of experience providing care for the elderly or chronically ill of any age.

   3.3. Skills examiners cannot be directly affiliated with any Nursing Assistant Training and Competency Evaluation Program.

   3.4. Skills examiners are the employee of the contracting testing facility and are also under the direction of the UNAR State Skills Specialist and Director of UNAR.

4. **Notes**
   4.1. Policy created December 8, 2016 and approved by UNAR Director to formalize skills examiner approval and training process.
